Washer Light Dry
WASCOMAT WLD SERIES

Combining world-class reliability with innovative features and programmability, **Wascomat washers are designed to work as a system with Wascomat dryers.** The washer initiates the drying process which means, the higher the G-force, the more water is extracted from the laundry. This speeds up the drying process, saving energy, time, and money.

Wascomat WLD Washers continue a long tradition of excellence in technology, design, and quality.

- Compass Pro lets you control important functions such as exact water levels, wash times and number of rinses — with a simple turn of the dial
